

Kane Brown - Last Time I Say Sorry (feat. John Legend)

tom:

A
[Refrão]

I won't say I'm sorry over and over
 Can't just say I'm sorry, I've gotta show you
 I won't do it again, I'll prove my love is true
 I hope the last time I said sorry
 Is the last time I'll say sorry to you

[Primeira Parte]

The first time I slept on the couch, was our first New Year's Eve
 I heard words come out my mouth, that I still can't believe
 Broken hearts and shattered champagne
 We both don't wanna feel that again
 The second I apologized, you said, "Boy, I don't know"
 I said it 'cause I meant, but you still wouldn't let it go
 So I swallow my pride, see it from your side
 I promise I'll do the best I can do
 [Refrão]

I won't say I'm sorry over and over
 Can't just say I'm sorry, I've gotta show you
 I won't do it again, I'll prove my love is true
 I hope the last time I said sorry
 Is the last time I'll say sorry to you

No, oh, oh-oh (oh)
 No, oh, oh-oh
 To you
 No, oh, oh-oh

No, oh, oh-oh
 The last time I said sorry
 Is the last time I'll say sorry
 [Segunda Parte]

If I could build a perfect world I'd only make you smile
 I'd hang the stars, the sun and moon outside this room, but I'll
 I'll never be perfect, though I'm gonna try
 Oh, I'm gonna do better, I swear that I

[Refrão]

I won't say I'm sorry over and over
 Can't just say I'm sorry, I've gotta show you
 I won't do it again, I'll prove my love is true
 I hope the last time I said sorry
 Is the last time I'll say sorry to you

No, oh, oh-oh (oh)
 No, oh, oh-oh
 To you
 No, oh, oh-oh
 No, oh, oh-oh
 The last time I said sorry
 Is the last time I'll say sorry
 No, oh, oh-oh (oh)
 No, oh, oh-oh
 To you
 No, oh, oh-oh
 No, oh, oh-oh

I hope the last time I said sorry
 Is the last time I'll say sorry, to you
