

Kane Strang - Don't Follow Me (I'm Lost)

Tom: G

C
 Young dumb and numb
 Had all my fun
 No idea what I've become

G
 We were out the back
 Talking when you said
 That you got what you wanted

C
 I, I know what I bought
 I know what I spent
 I know what I said
 And what I meant

G
 Tried to do this
 Tried to do that
 I should and I would if I could

C
 Hey, how have you been
 Good I think

Think I got what I wanted **G Em**

D G
 But don't you follow me

Em
 I'm lost

D G
 No don't you follow me

Em
 I'm lost

D G
 No don't you follow me

Em
 I'm lost

D G
 No don't you follow me

Em
 I'm lost

D
 So don't you follow

C
 Me, me I'm fine
 Every single side
 Left myself somewhere down the line

G
 We were on the phone
 Talking when they said
 That they got what they wanted

C
 I, I know what they took
 I know what they did
 I know what they took and did with it

G
 Sorry for that
 Sorry for this
 Sorry about those things that I said

C
 Hey, how have you been
 Good I think **G Em**

Think I got what I wanted
