                G

                G    E         B   A
Come on, see it through
   G    E      B     A
It's not that bad
  G     E      B   A
Come on, wait it out
  G     E     B    A
It won't be long
 G      E     B    A
It won't be long
  G     E     B    A
Come on, stick with me
  G     E     B    A
It could be worse
  G     E     B    A
Come on, work it out
  G     E     B    A
You will get through
  G     E     B    A
You will get through
  G     E     B    A
It's not that bad
  G     E     B    A
You will get through
  G     E     B    A
It's not that bad
  G     E     B    A
You will get
  G    E      B
It's not that bad
