D
Yes she is the best i've ever had
I'll say it to her face, and i'll say it to her dad
We went into a party
At my good friend's house

D
Then i fell asleep inside my car
She tapped on all my windows said she'd gone too far
She'd met another boy
Another pretty boy

D
I said kill me now

A **E**
I want to die
I heard there's a chance at an afterlife
D
I might not get let in, but at
A **E**
Least i won't be living

D
Here i am
Sandwiched between
A
Heaven and hell
E
Oh! what they don't exist, well
D
I wouldn't have gotten in to the good one
A **E**
And i still won't be living to
Bm **E**
See her with another man
A **E**
Oh that really really really really wasn't my plan
D

I used to ask life
To kill me slowly
Now i beg you just get on with it

[Solo] **D Bm D Bm**

It always part of the plan
She said ?i met a boy
Another pretty boy?
