Will you still remember

When the morning light has come

Will the songs be playing over and over

Till you do it all over again

**Dm F C Dm Dm**  
Play, play the game tonight  
**Bb Dm C**  
Can you tell me if it's wrong or right

Is it worth the time, is it worth the price

To the roaring of the crowd

You will feel it all around you

Then it finally happens

Till they do it all over again
