

# Kanye West - Wouldn't Leave

tom: Eb

I don't feel that she's mine enough Abadd9 Fm7

God, I feel I couldn't have you windin' up Abadd9 Fm7

Butterfly in my wrist Abadd9 Fm7

You make pretty women out of my skin Abadd9 Fm7

And I don't feel like Db7M Bbadd9 Abadd9 Fm7

And I know you wouldn't leave

They say, "Build your own"? I said, "How, Sway?" Abadd9 Fm7

I said, "Slavery a choice"? they said, "How, Ye?"

Just imagine if they caught me on a wild day Abadd9 Fm7

Now I'm on fifty blogs gettin' fifty calls

My wife callin', screamin', say we 'bout to lose it all Abadd9 Fm7

Had to calm her down 'cause she couldn't breathe Db7M Bbadd9

Told her she could leave me now, but she wouldn't leave

And I know you wouldn't leave Bbadd9 Abadd9 Fm7

And I sometimes wish Abadd9 Fm7

We doin' such things Abadd9 Fm7

We could wait longer than this

Yes, you know you're one of these Abadd9 Fm7

We can run through with the top chopped, yeah

And the sundress down, ooh

Db7M Bbadd9 Abadd9 Fm7

And I know you wouldn't leave

Oh, don't bring that up, that's gon' get me sentimental

You know I'm sensitive, I got a gentle mental Abadd9 Fm7

Every time somethin' happen they want me sent to mental

We had an incident, but I cover incidentals Abadd9 Fm7

You want me workin' on my messagin'

When I'm thinkin' like George Jetson

But soundin' like George Jefferson Fm7

Then they questionin' my methods then

If you tweakin' out on my texts again

Then I don't get reception here Abadd9 Fm7

I got the mind state to take us past the stratosphere

I use the same attitude that done got us here Abadd9 Fm7

I live for now, I don't know what happen after here

I live for now, I don't know what happen after here Abadd9 Fm7

Plus, what was meant to be was meant to be

Even if, publicly, I lack the empathy Abadd9 Fm7

I ain't finna talk about it, 'nother four centuries Db7M Bbadd9

One and one is two, but me and you, that's infinity

(And I know you wouldn't...)

I don't feel like she's mine enough Abadd9 Fm7

God, I feel I couldn't have you windin' up (why?) Abadd9 Fm7

Butterfly in my wrist Abadd9 Fm7

You make pretty women out of my skin (out of my skin) Abadd9 Fm7

And I don't feel like (uhh) Db7M Bbadd9 Abadd9 Fm7

And I know you wouldn't leave (love me or hate me)

For any guy that ever fucked up (Love me or hate me) Abadd9 Fm7

Ever embarrassed they girl (Love me or hate me)

Ever embarrassed they wife (Gone when you miss me)

She told you not to do that shit (Ohh) Abadd9 Fm7

She told you you's gon' fuck the money up

But you ain't wanna listen, did you?

Keep that same energy

Keep that same energy Abadd9 Fm7

Keep that same energy

Now you testin' her loyalty Abadd9 Fm7

This what they mean when they say

"For better or for worse", huh? Abadd9 Fm7

For every down female that stuck with they dude Abadd9 Fm7

Through the best times, through the worst times Abadd9 Fm7

This for you Db7M Bbadd9 Abadd9 Fm7

And I know you wouldn't leave

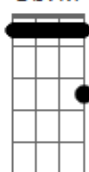

( Abadd9 Fm7 )

( Abadd9 Fm7 )

( Db7M Bbadd9 )
