

Kanye West - Wouldn't Leave

tom:
Eb

I don't feel that she's mine enough
Abadd9 Fm

God, I feel I couldn't have you windin' up
Abadd9 Fm

Butterfly in my wrist
Abadd9 Fm

You make pretty women out of my skin
Abadd9 Fm

And I don't feel like
Db Bbadd9 Abadd9 Fm

And I know you wouldn't leave

They say, "Build your own"? I said, "How, Sway?"
Abadd9 Fm

I said, "Slavery a choice"? they said, "How, Ye?"

Just imagine if they caught me on a wild day
Abadd9 Fm

Now I'm on fifty blogs gettin' fifty calls

My wife callin', screamin', say we 'bout to lose it all
Abadd9 Fm

Had to calm her down 'cause she couldn't breathe
Db Bbadd9

Told her she could leave me now, but she wouldn't leave

Abadd9 Fm

And I know you wouldn't leave
Abadd9 Fm

And I sometimes wish

We doin' such things
Abadd9 Fm

We could wait longer than this

Yes, you know you're one of these
Abadd9 Fm

We can run through with the top chopped, yeah

And the sundress down, ooh

Db Bbadd9 Abadd9 Fm

And I know you wouldn't leave

Oh, don't bring that up, that's gon' get me sentimental

You know I'm sensitive, I got a gentle mental
Abadd9 Fm

Every time somethin' happen they want me sent to mental

We had an incident, but I cover incidentals
Abadd9 Fm

You want me workin' on my messagin'

When I'm thinkin' like George Jetson

But soundin' like George Jefferson
Fm

Then they questionin' my methods then

If you tweakin' out on my texts again

Then I don't get reception here
Abadd9 Fm

I got the mind state to take us past the stratosphere

I use the same attitude that done got us here
Abadd9 Fm

I live for now, I don't know what happen after here

I live for now, I don't know what happen after here
Abadd9 Fm

Plus, what was meant to be was meant to be

Even if, publicly, I lack the empathy
Abadd9 Fm

I ain't finna talk about it, 'nother four centuries
Db Bbadd9

One and one is two, but me and you, that's infinity

(And I know you wouldn't...)

Abadd9 Fm

I don't feel like she's mine enough

God, I feel I couldn't have you windin' up (why?)
Abadd9 Fm

Butterfly in my wrist
Abadd9 Fm

You make pretty women out of my skin (out of my skin)
Abadd9 Fm

And I don't feel like (uhh)
Db Bbadd9 Abadd9 Fm

And I know you wouldn't leave (love me or hate me)

For any guy that ever fucked up (Love me or hate me)
Abadd9 Fm

Ever embarrassed they girl (Love me or hate me)

Ever embarrassed they wife (Gone when you miss me)

She told you not to do that shit (Ohh)
Abadd9 Fm

She told you you's gon' fuck the money up

But you ain't wanna listen, did you?

Keep that same energy

Keep that same energy
Abadd9 Fm

Keep that same energy

Now you testin' her loyalty
Abadd9 Fm

This what they mean when they say

"For better or for worse", huh?
Abadd9 Fm

For every down female that stuck with they dude
Abadd9 Fm

Through the best times, through the worst times
Abadd9 Fm

This for you
Db Bbadd9 Abadd9 Fm

And I know you wouldn't leave

(Abadd9 Fm)
(Abadd9 Fm)
(Db Bbadd9)

Acordes
