

# Karen O - Day Go By

Tom: G

<sup>D</sup>  
Day go by  
Daybreak can't wait for the night to fall <sup>G</sup>

Can't sleep I'm wasted, wasted  
Can't sleep, make it to the dawn <sup>D</sup>

By the way  
I really need my fix cause you got me so sick <sup>G</sup>  
I know

That I'm burning for you

That I'm burning for you  
That I'm burning for you <sup>Em</sup>

Don't call the doctor, doctor  
God save the doctor, something's wrong <sup>G</sup>

Gonna call the doctor, doctor  
Gonna tell him that my pain is gone <sup>D</sup>

Time away  
Tearing me apart, I wear it on my heart, I do <sup>G</sup>

Can't sleep, I'm wasted, wasted  
Can't stand still, I'm shaking over you <sup>D</sup>

Time away  
I really need my fix cause you got me so sick <sup>G</sup>  
I know

That I'm burning for you

That I'm burning for you  
That I'm burning for you <sup>Em</sup>

Don't call the doctor, doctor  
God save the doctor, something's wrong <sup>G</sup>

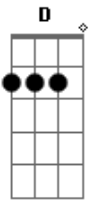

Gonna call the doctor, doctor  
Gonna tell him that my pain is gone <sup>D</sup>

It's gone, gone, gone, gone <sup>G</sup>  
Gone, gone, go-o-o-one
