Tom: C  
Intro: G C D

G  
Doomed from the start  
We met with a goodbye kiss  
I broke my wrist  
It all kicked off I had no choice  
You said that you didn't mind  
Cause love's hard to find  
lalala  
Am F  
Maybe the days we had are gone  
Living in silence for too long  
Open your eyes and what do you see  
No more laughs  
No more photographs  
G  
Turning slowly  
Em  
Looking back, see  
C  
No words can save this  
D  
You're broken and I'm pissed  
G  
Run along like I'm supposed to  
Em  
Be the man I ought to  
C  
Rock and Roll sent us insane  
D  
I hope someday that we will meet again  
G (pause)  
G  
Running wild  
C  
Giving it everyone  
G

Now that's all done  
Cause we burnt out, that's what you do  
When you have everything  
it can't be true
