

# Kasabian - Stevie

Tom: F

<sup>Dm</sup>  
Stevie, where you going with that gun

<sup>C</sup>  
Who you wanna shoot down

<sup>Gm</sup>  
Who you tryinna kill

<sup>Dm</sup>  
'Cos you've been watching too much TV

<sup>C</sup>  
It's playing with your memory

<sup>Gm</sup>  
It's tryinna break your heart

<sup>Bb</sup> <sup>Gm</sup>  
Just calm down, take your medication

<sup>Dm</sup>  
It numbs you to the world

<sup>C</sup>  
Not my world

<sup>Dm</sup> <sup>F</sup>  
And all the kids they say

<sup>C</sup>  
We'll live to fight another day

<sup>Gm</sup>  
We'll live to fight again

<sup>Dm</sup> <sup>F</sup>  
And all the kids they say

<sup>C</sup>  
Live to fight another day

<sup>Gm</sup>  
Live to fight again, again, again, again

<sup>Dm</sup>  
There's no life underneath your finger

<sup>C</sup>  
I dreamt a little bigger

<sup>Gm</sup>  
I'm sick and tired of this

<sup>Dm</sup>  
If you show us what we can't have

<sup>C</sup>  
What do you expect when

<sup>Gm</sup>  
We take it back from you

<sup>Bb</sup>  
'Cos it's no joke, no joke

<sup>Gm</sup>  
I wanna open up your eyes wide, eyes wide

<sup>Dm</sup>  
I feel it coming but you can't hide, can't hide

<sup>C</sup>  
I wanna make you see light

<sup>Dm</sup> <sup>F</sup>  
And all the kids they say

<sup>C</sup>  
We'll live to fight another day

<sup>Gm</sup>  
We'll live to fight again

<sup>Dm</sup> <sup>F</sup>  
And all the kids they say

<sup>C</sup>  
Live to fight another day

<sup>Gm</sup>  
Live to fight again, again, again, again

<sup>Dm</sup>  
And the ordinary people

<sup>F</sup>  
Living ordinary lives

<sup>C</sup>  
There's more than just existence

<sup>Dm</sup>  
I see the fire in your eyes

<sup>Dm</sup>  
You knew the song already

<sup>F</sup>  
It comes as no surprise

<sup>C</sup>  
It's time to push things forward

<sup>Dm</sup>  
'Cos there's no way back, yeah,

There's no way back now

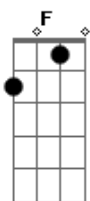

<sup>C</sup>  
Live to fight another day

<sup>Gm</sup>  
Live to fight again

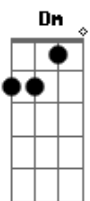

<sup>C</sup>  
Live to fight another day

<sup>Gm</sup>  
Live to fight again, again, again, again
