Db

I used to be the reason that you talked a lot

You have change suddenly now you just want

To say

That there's is no way

That you need to go to find yourself again, be another women

So is this the end

So is this the end

You said you would come back to me

That you last destination will be me

I said don't worry I'll be around

Hey girl and I always and I always sing this

Song waiting for you to come to me

Waiting for you to come to me

Hey girl and I always and I always sing this

Song

Waiting for you to come to me

Waiting for you to come to me

Yeah oh oh oh oh

Waiting for you to come to me

Waiting for you to come to me

Waiting for you to come to me

One day someone came and told me that what is

Yours will always come back

Will always come back

True love never ends and in the heart of those

Who feel it is as eternal as time

It is as eternal as time

You said you would come back to me

That you last destination will be me

I said don't worry I'll be around

Hey girl and I always and I always sing this

Song waiting for you to come to me

Waiting for you to come to me

Hey girl and I always and I always sing this

Song

Waiting for you to come to me

Waiting for you to come to me

Waiting for you to come to me

Yeah oh oh oh oh

Waiting for you to come to me

Waiting for you to come to me

Where are you?

Where are you?

I will always be here and I will always be

Here

Hey girl and I always and I always sing this

Song waiting for you to come to me

Waiting for you to come to me

Hey girl and I always and I always sing this

Song

Waiting for you to come to me

Waiting for you to come to me
