

# Kat Cunning - For The Love

tom:

**Ebm**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm**

I used to pray to a glossy page

**B Gb Abm**

A cut out from a magazine

**Ebm**

I was afraid of real things

**B Gb Abm**

And I couldn't get to sleep to dream

**Ebm**

My mom came out and I was mean

**B Gb Abm**

I said, what a slap in the face

**Ebm**

Then she got sick and lost her hair

**B Gb Abm**

And then her partner died of the same thing

**Ebm**

My mom survived, but we lost Joan

**B Gb Abm**

The day before New York legalized love

**Ebm**

And the streets were full of young and old

**B Gb Abm**

And shiny new rings exchanged in gold

**Ebm B Gb**

For the love, for the love

**Abm Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**Abm Gb Abm**

For the love, for the love

**Ebm**

I kissed a girl and felt no shame

**B Gb Abm**

With Katy on the radio

**Ebm**

I told my mom that we were the same

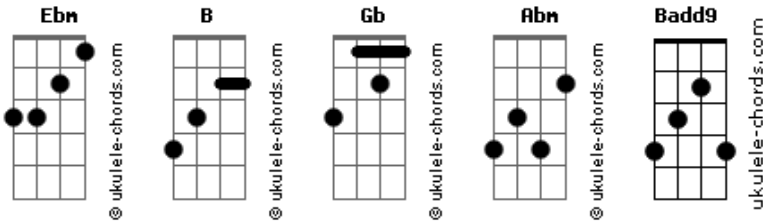

**B Gb Abm**

She said we've got ways to go

**Ebm**

And I've known love that's wider than

## Acordes

**B Gb Abm**

The place in the middle where it's painted red

**Ebm B**

And I believe that fear is weaker than love

**Gb Abm**

Just like the magazine read

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Badd9 Gb**

This life is imperfect

**Badd9 Gb**

And love is a mess

**Badd9 Gb**

I want the right to fuck it up

**Badd9 Gb**

Just like anybody else

**Abm**

Just like everybody else

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm B Gb**

For the love, for the love

**B Gb Abm**

For the love, for the love

**Ebm**

I used to pray to a glossy page

**B Gb Abm**

A cut out from a magazine
