

Kat Von D - I Am Nothing

tom:

Intro: Bb Gm Dm
Bb Gm Dm

[Primeira Parte]

There's a picture of us
That I can't throw away
A perfect day when I felt so unafraid
There was nothing we could do

To stay the same
Now I'm just getting smaller every day

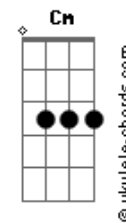

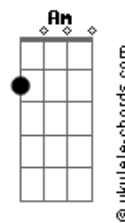

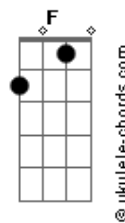

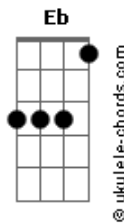

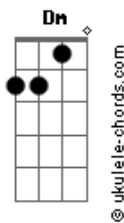

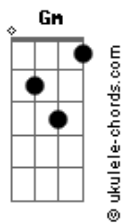

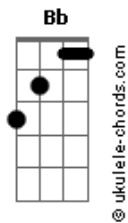

[Refrão]

Am I nothing to you?
Was this nothing? Are we breaking in two?
Could anything be good enough for you?
Am I nothing? (Guess I'm nothing)

[Segunda Parte]

So tired, tired of wasting days
Going through the motions, lying through
My teeth again
So I'll make a smile

Acordes

And say that it's okay
I'll cross my heart and slowly fade away

[Refrão]

Am I nothing to you?
Was this nothing? Are we breaking in two?
Could anything be good enough for you?
I am nothing if I mean nothing to you

[Ponte]

I'd do anything for you (for you)
To mean everything to you (to you)
'Cause in your hands you hold my heart
Promises that fell apart

Couldn't chang? that

(Gm F Eb)
(Bb Dm Eb)

[Refrão Final]

Am I nothing to you?
Was this nothing? Are we breaking in two?
Could anything be good enough for you?
I am nothing, next to nothing
