

Kate Bush - Running Up That Hill

Tom: G

(intro) C D Em

It doesn't hurt me

Do you wanna feel how it feels

Do you wanna know, know that it doesn't hurt me

Do you wanna hear about the deal got I'm making

and you and me here

(chorus 1)

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill

Be running up that building

If I only could

You don't wanna hurt me

But see how deep the bullet lies

Unaware I'm tearing you a thunder

There is thunder in our hearts

Is there so much hate for the ones we love

Oh, tell me we both matter don't we

It's you and me you and me won't be unhappy

(chorus 1)

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill
Be running up that building

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill

With no problems

C'mon baby c'mon darling

Let me steal this moment from you now

C'mon angel c'mon c'mon darling

Let's exchange the experience

(C D Em)
(C D Em)

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill

With no problems

And if I only could

I'd make a deal with God

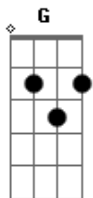

And I'd get him to swap our places

Be running up that road

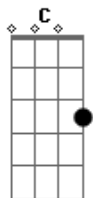

Be running up that hill

With no problems
