G C  
Every guy's looking in her eyes  
G D  
Every guy's checking out her thighs  
G C  
Everyone thinks that girl's a lady  
G D

But I dont I think that girl's shady

G D  
Well I'll just read a book instead  
Em C  
I dont care if we're just friends  
G D  
Well I can hang out with myself  
Em C  
I'm old enough now to pretend  
G D  
Well I'll just read a book instead  
Em C  
I know that you think she's best  
G D  
Well I don't even think she cares  
Em C  
I don't know what you see - there's nothing there!
