 This is my face, covered in freckles with an occasional
 spot and some veins.
 This is my body, covered in skin, and not all of it you can
 see
 And, this, is my mind, it goes over and over the same old
 lines
 And, this, is my brain, it's torturous analytical thoughts
 make me go insane

C Am
 And I use mouthwash,
 C Am
 And sometimes I floss,
 C Am
 I've got a family,
 Em
 And I drink cups of tea.

I've got nostalgic pavements,
 I've got familiar faces,
 I've got mixed up memories,
 And I've got favourite places.

Am Em
 I'm singing uh-oh on a Friday night
 Am Em
 I'm singing uh-oh on a Friday night
 Am Em
 I'm singing uh-oh on a Friday night
 Am Em
 I'm singing uh-oh on a Friday night and I hope everything's
 gonna be alright

 This is my face, I've got a thousand opinions and I've
 got time to explain,
 And this, is my body, no matter how you try and disable it yes
 it'll still be here.
 And this is my mind, and although you try to infringe you
 cannot confine,
 And this is my brain, and even if you try and hold me back
 there's nothing that you can gain.

C Am
 And I use mouthwash,
 C Am
 And sometimes I floss,
