

Katie Melua - What I Miss About You

Tom: F
 Intro: . . : F Bb F Bb
 Missing the train every morning at eight fifty two
 Sipping coffee from the same cup as you
 The sharing of secrets we thought no one else knew
 That's what I miss about you

The new way that love had made me see
 Your bashful grin when you asked if I would like your key
 The knowing way you use to caress me
 That's what I miss about you

You stole in with your starry smile exciting me
 Driving with you in your new car, feeling free
 And if it's true that love is blind, then I was blind willingly
 That's what I don't miss about you

You made me feel we had a future, that could be and would be
 The way you said I'd be no-one on my own
 Your habit of soaking yourself in over-priced cologne
 The way you turned the light out when I knew you were home
 That's what I don't miss about you

I bet your using your weary magic like it's new
 Driving so fast with a new fool beside you
 Presumably believing she's the last of the lucky few
 I wonder if she knows she being lied to like I do

The way I only doubted myself when I was with you
 Like I was wrong for expecting something from life too
 Your skill of putting me down in front of everyone we knew
 That's what I don't miss about you
