

Katinguelê - Me Ganhou

Tom: F

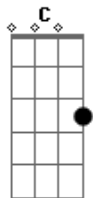

O teu olhar cruzou o meu, me insinuou um beijo
 Talvez por um desejo ou simples mera ocasião
 Na dúvida me contentei a admirar teu corpo
 Que se esculpiu de puro charme fatal emoção
 Não sei, não entendi, só vi que eu parei na tua
 Vendo você entrar na minha imaginação
 Com meu olhar não hesitei a te deixar bem nua
 Pra te vestir com o meu corpo doce sensação

Quero te curtir não é brincadeira, deira, deira
 Abalou seu jeito sedutor
 Me ganhou, me ganhou
 Posso até sentir na sua maneira
 Que pintou um clima, vai rolar
 Chega pra cá, vem
 Faz o que der na cabeça
 Diga sim eh oh, eh oh
 O teu mar me banhou
 Dá pra mim, calor dá
 Que eu te dou o meu amor
