Am
Once upon a time
Little girl, age of nine
F **Dm** **Am**
Had wings so that she could fly
She wished upon a star
Give me safe and guard
F **Dm** **Am**
My way if I go too far

Am
Can't you see what I see?
F
I felt so alive
Dm
When all my dreams
C **E**
Were just one wish away

Somewhere above
promised Eden of love

Held her young heart unharmed, unharmed
By closing her eyes
She could easily rise
