'Cause I'm all that you want, boy  
All that you can have, boy  
Got me spread like a buffet  
Bon a, bon appétit baby

Appetite for seduction  
Fresh out the oven  
Melt in your mouth kind of lovin'  
Bon a, bon appétit baby

Looks like you've been starving  
You've got those hungry eyes  
You could use some sugar  
'Cause your levels ain't right

I'm a five-star Michelin  
A Kobe flown in  
You want what I'm cooking  
Boy

Let me take you, under candle light  
We can wine and dine  
A table for two

And it's okay, if you take your time  
Eat with your hands, fine  
I'm on the menu

'Cause I'm all that you want, boy  
All that you can have, boy  
Got me spread like a buffet  
Bon a, bon appétit baby

Appetite for seduction  
Fresh out the oven  
Melt in your mouth kind of lovin'  
Bon a, bon appétit baby

So you want some more  
Well I'm open 24  
Wanna keep you satisfied

Customer's always right

Hope you've got some room  
For the world's best cherry pie  
Gonna hit that sweet tooth  
Boy

Let me take you, under candle light  
We can wine and dine  
A table for two

And it's okay, if you take your time  
Eat with your hands, fine  
I'm on the menu
