

Katy Perry - Circle The Drain

Tom: Gb
Intro: Ebm

This is the last time you say
After the last line you break
It's not even a holiday
Nothing to celebrate
You give a hundred reasons why
And say you're really gonna try
If I had a nickel for everytime
I'd overbank
Thought that I was the exception
I could rewrite your addiction
You could've been the greatest
But you'd rather get wasted
You fall asleep during foreplay
'Cause the pills you take are more your forte
I'm not sticking around to watch you go down
Wanna be your lover not your fucking mother
Can't be your saviour I don't have the power
I'm not gonna stay and watch you circle the drain Watch you
circle the drain
Watch you circle the drain
You say you have to write your rhymes
Whatever helps you sleep at night
You've become what you despise
A stereotype

You think you're so rock and roll
But you're really just a joke
Had the world in the palm of your hands
But you fucking choked
Should've been my team mate,
Could've changed your fate,
You say that you love me
You won't remember in the morning

Watch you circle the drain
Watch you circle the drain
La la da da da da, da, da
La la da da da da, da, da
You're goin' down You're goin' down
You're goin' down You're goin' down
You fall asleep during foreplay
'Cause the pills you take are more your forte
I'm not sticking around to watch you go down
Wanna be your lover not your fucking mother
Can't be your saviour I don't have the power
I'm not gonna stay and watch you circle the drain Watch you
circle the drain
Watch you circle the drain
