

# Katy Perry - Double Rainbow

Tom: C

Intro: C

uma vez

(C )  
You're a one of a one

A one of a kind

That you only find once in a lifetime

Made to fit like a fingerprint

A code that clicks open a gold mine

They say one man's trash is another man's treasure

When I found you, it was all pitter-patter

C  
Secretly, I hit the lottery

'Cause you're brighter than all of the Northern Lights

You speak to me, even in my dreams

Wouldn't let you go for even the highest price

They say one man's trash is another girl's treasure

So if it's up to me, I'm gonna keep.... you forever

'Cause I understand you, we see eye to eye

Like a double rainbow in the sky

And wherever you go, so will I

'Cause a double rainbow is hard to find C...

(C ) G

Was a phenomenon when you came along

Yeah, our chemistry was more than science

It was deafening, loud like lightning, it was striking

You couldn't deny it

They say one man's trash is another man's treasure

The two of us together, make everything glitter

'Cause I understand you, we see eye to eye

Like a double rainbow in the sky

And wherever you go, so will I

'Cause a double rainbow is hard to find

Am To the bottom of the sea, I'd go to find you, ah ah

Climb the highest peak to be right beside you, ah ah

Every step I take, I'm keeping you in mind

C G Am F  
Ooh ooh ooh

'Cause I understand you, we see eye to eye

Like a double rainbow in the sky

And wherever you go, so will I

'Cause a double rainbow is hard to find

It's hard to find, Oh oh It's hard to find

Once in a lifetime

## Acordes
