

Katy Perry - Double Rainbow

Tom: C
Intro: C

uma vez

(C)
You're a one of a one
A one of a kind
That you only find once in a lifetime
Made to fit like a fingerprint
A code that clicks open a gold mine

C G F
They say one man's trash is another man's treasure
C G F
When I found you, it was all pitter-patter

C G
Secretly, I hit the lottery
Am F C
'Cause you're brighter than all of the Northern Lights
G
You speak to me, even in my dreams
Am F
Wouldn't let you go for even the highest price

C G F
They say one man's trash is another girl's treasure
C G F -once
So if it's up to me, I'm gonna keep... you forever

C G
'Cause I understand you, we see eye to eye
Am F
Like a double rainbow in the sky
C G
And wherever you go, so will I
Am F C...
'Cause a double rainbow is hard to find

(C) G

Was a phenomenon when you came along
Yeah, our chemistry was more than science
It was deafening, loud like lightning, it was striking
You couldn't deny it

C G F
They say one man's trash is another man's treasure
C G F
The two of us together, make everything glitter

C G
'Cause I understand you, we see eye to eye
Am F
Like a double rainbow in the sky
C G
And wherever you go, so will I
Am F
'Cause a double rainbow is hard to find

Am F Am
To the bottom of the sea, I'd go to find you, ah ah
F Am
Climb the highest peak to be right beside you, ah ah
G F G
Every step I take, I'm keeping you in mind

C G Am F
Oooh oooh oooh

C G
'Cause I understand you, we see eye to eye
Am F
Like a double rainbow in the sky
C G
And wherever you go, so will I
Am F
'Cause a double rainbow is hard to find

C G F
It's hard to find, Oh oh It's hard to find
C G F Am G C
Once in a lifetime
