

# Katy Perry - Ghost

Tom: D

(com acordes na forma de Capotraste na 2ª casa Intro: dução  
C F Am G C

Uma vez  
You sent a text  
It's like the wind changed your mind  
We were best friends  
Yeah, we were building our life  
With every kiss, and every letter  
Every promise of forever, oh  
But you hit send  
And disappeared in front of my eyes  
And now you're just a ghost  
When I look back never would have known that  
You could be so cold  
Like a stranger vanish like a vapor  
There's just an echo where your heart used to be  
Now I see it clearly  
And there's just a pillow where your head used to sleep  
My vision's twenty-twenty  
I see through you now  
Something has died  
Now that I have made up my mind  
I'll be alright  
It doesn't haunt me at night  
'Cause every gift, and every letter, every promise of forever

Now, it's out of sight  
Like you were never alive  
And now you're just a ghost  
When I look back never would have known that  
You could be so cold  
Like a stranger vanish like a vapor  
There's just an echo where your heart used to be  
Now I see it clearly  
And there's just a pillow where your head used to sleep  
My vision's twenty-twenty  
I see through you now, now, now, now, now..  
Now, now, now, now, now..  
So rest in piece  
I'll see you on the other side  
And now you're just a ghost  
When I look back never would have known that  
You could be so cold  
Like a stranger vanish like a vapor  
There's just an echo where your heart used to be  
Now I see it clearly  
And there's just a pillow where your head used to sleep  
My vision's twenty-twenty  
I see through you now, now, now, now, now Oh,  
Now, now, now, now, now  
I see through you now, now, now, now, now  
Now, now, now, now, now  
I see through you now
