

Katy Perry - I'm Still Breathing

```
Intro: F Dm Bb Gm7 C
 I leave the gas on, walk the alleys in the dark
 Sleep with candles burning, I leave the door unlocked
 I'm weaving a rope and, running all the red lights
Did I get your attention? 'Cause I'm sending all the signs
that...
 The clock is ticking, and I'll be giving my two weeks, pick
 Your favourite shade of black, you'd best prepare a speech
 Say something funny, say something sweet
But don't say that you loved me
Chorus
'Cause I'm still breathing
 But we've been dead for awhile
This sickness has no cure, we're going down for sure
Already lost a grip, on this abandoned ship
       Dm
              Bb

Maybe you had better, better luck in the sack
No formal education, And I swore way too much
But I swear you didn't care
'Cause we were in love
