

# Katy Perry - Just a Song

Tom: E

<sup>E</sup>  
So, when my voice breaks

It's called interpretation

<sup>Dbm</sup>  
When I hold a note

It's 'cause I want to

<sup>A</sup>  
Not 'cause I feel anything about you

<sup>C</sup> <sup>B</sup>  
So don't flatter yourself thinking that I love you

<sup>E</sup>  
Make you emotional

From major to the minor

<sup>Dbm</sup>  
When I lose control

I'm not trying to impress you

<sup>A</sup>  
Break it down and I get your attention

<sup>C</sup> <sup>B</sup>  
But it's just formula, I don't need your validation

Validation

<sup>E</sup>  
This is just a song

The music plays and then

<sup>Dbm</sup>  
Then it's gone again

This is just a song

<sup>A</sup>  
The words don't mean a thing

<sup>B</sup>  
So every time I sing I loved you all along

Remember, remember this is just a song

<sup>E</sup>  
Now, I feel nothing

Yes, I'm on auto pilot

<sup>Dbm</sup>  
I have sung these words

Even sing 'em while I'm sleeping

<sup>A</sup>  
Just 'cause you have showed up here to see me

<sup>C</sup> <sup>B</sup>  
Doesn't mean I'm going home with you this evening

<sup>E</sup>  
I know December is the month we meet

<sup>Dbm</sup>  
But it rhymes with remember

<sup>A</sup>  
Or did you forget I was only giving a performance?

<sup>C</sup> <sup>B</sup>  
I hadn't noticed you were in the audience

In, in the audience

<sup>E</sup>  
This is just a song

The music plays and then

<sup>Dbm</sup>  
Then it's gone again

This is just a song

<sup>A</sup>  
The words don't mean a thing

<sup>B</sup>  
So everytime I sing I loved you all along

Remember, remember this is just

<sup>Dbm</sup> <sup>A</sup>  
Everybody knows that this is just a song

<sup>B</sup>  
And I don't feel a thing for you

<sup>Dbm</sup> <sup>A</sup>  
Everybody knows that rhythm, rhyme and structure

<sup>B</sup>  
Doesn't mean I love you

Oh, no

<sup>E</sup>  
This is just a song

The music plays and then

<sup>Dbm</sup>  
Then it's gone again

This is just a song

<sup>A</sup>  
The words don't mean a thing

<sup>B</sup>  
So every time I sing I loved you all along

Remember, remember this is just

<sup>Dbm</sup>  
It's just a song
