

Katy Perry - Long Shot

Tom: C

I felt it.
 The wire touched my neck and
 Then someone pulled it tighter
 I never saw it coming
 I'm certain to back out and
 Then someone said good morning
 I took it as a warning
 I should have seen it coming
 So now I'll take a chance on
 This thing we may have started
 Intentional or not I
 Don't think we saw it coming
 It's all adding up to something
 That as of some involvement
 That as for our commitment
 I think I see it coming
 If we step out of that limb
 My heart beat, beats me senselessly
 Why's everything got to be so intense with me
 I'm trying to handle all these unpredictability
 In all probability
 It's a long shot so I say why not
 If I say forget it I know that I'll regret it
 It's a long shot just to beat the odds
 The chance is we won't make it
 But I know if we don't take they're be no chance
 But you're the best I got

So take the long shot
 I realize that there is all this starting
 That we're both scared about but
 We'll never see them coming
 Throw caution to the wind and
 We'll see which way it's blowing
 And to this pulling on
 We'll never see it coming
 Until it's much to close to stop
 My heart beat, beats me senselessly
 Why's everything got to be so intense with me
 I'm trying to handle all these unpredictability
 And all probability
 It's a long shot but I say why not
 If I say forget it
 I know that I'll regret it
 It's a long shot just to beat the odds
 The chance is we won't make it but i know if i don't take it
 there's no chance
 Cuz I'm the best you got
 So take the long shot
 What a pleasant surprise what a breath of fresh air
 You knock the wind out of me
 But inside it's so unaware
 Ahaa, ahaa, ahaa,
 Oh I waited for fact to come of fiction
 And you fit my description
 I never saw you coming
 But we'll make it even though
 It's a long shot but I say why not
 If I say forget it
 I know that I'll regret it
 It's a long shot just to beat the odds
 The chance is we won't make it
 But I know if I don't take it there's no chance
 Cuz you're the best I got
 So take the long shot
 You didn't expect this
 Oh you never saw me coming
 You didn't expect this
 Oh you never saw this coming
 I take the long shot
 I take the long shot, shot, shot, shot, shot
 Cuz you're the best I got
 Oh I'm take this chance on you baby
 I'm take this chance on you baby
 I'm taking this chance
