

## **Katy Perry - Lost Chords**

```
(intro 2x) C F B

C F B
I'm out on my own again
C F B
Face down in the porcelain
C Am G F
Feeling so high but looking so low
C F B
Party favors on the floor
C F B
Group of girls banging on the door
C Am G E
So many new fair-weather friends...

F G C Am
Have you ever been so lost
F G C F B
Known the way and still so lost
C F B
Caught in the eye of a hurricane
C F B
Slowly waving goodbye like a pageant parade
C Am G F
So sick of this town puling me down
C F B
My mother says I should come back home but
C F B
Can't fint the way 'cause the way is gone
C Am G F
So if I pray, am I just sending words into outer space?
```

```
Have you ever been so lost
Known the way and still so lost
Another night waiting for someone to take me home
   F G B
Have you ever been so lost
Is there a light
Is there a light
At the end of the road
I'm pushing everyone away
'Cause I can't feel this anymore
Can't feel this anymore
Have you ever been so lost
Known the way and still so lost
Another night waiting for someone to take me home
      F G
                    Am
Have you ever been so lost
Have you ever been so (lost)
  oh ah oh ah oh
  oh ah oh ah oh
```

## **Acordes**
