

# Katy Perry - Mannequin

Tom: G

How do I get Closer to you  
 When you keep It all on mute  
 How will I know  
 The right way To love you

Usually the queens Are figurin' out  
 Breaking down the man Is no work out  
 But I have no clue  
 How to get Through to you.. oh

I wanna hit you Just to see If you cry  
 Keep knockin on would Hopin there's A real boy inside

'cuz you're not a man  
 You're just a mannequin  
 I wish you could feel  
 That my love is real  
 But you're not a man

[como no começo]

I wish I could just Turn you on  
 But a battery in And make you talk  
 Even pull A string for you To say anything

But with you There is no guarantee  
 Only expired warranty  
 A bunch Of broken parts

But I can't seem To find your heart

Oh.. I'm such a fool  
 I'm such a fool  
 I'm such a fool  
 Cause this one's Outta my hands  
 I can't put you Back together again

Cause you're not a man  
 You're just a Mannequin  
 I wish you could feel  
 that my love is real  
 But you're not a man  
 You're just a toy  
 Could you ever be A real, real boy  
 And understand  
 But you're not a man

[Am Em Cm]  
 If the cost is the problem  
 My future could solve it baby  
 I could bring it life  
 If you let me inside baby  
 It's so hard  
 But in the end  
 You'll be a man

You're not a man  
 You're just a Mannequin  
 I wish you could feel  
 that my love is real  
 You're a toy  
 Could you ever be  
 A real, real boy  
 And understand  
 But you're not a man  
 You're not a man

You're just a Mannequin  
 I wish you could feel  
 that my love is real  
 But you're not a man
