

Katy Perry - Mannequin

Tom: G

How do I get Closer to you
 When you keep It all on mute
 How will I know
 The right way To love you

Usually the queens Are figurin' out
 Breaking down the man Is no work out
 But I have no clue
 How to get Through to you.. oh

I wanna hit you Just to see If you cry
 Keep knokin on would Hopin there's A real boy inside

'cuz you're not a man
 You're just a mannequin
 I wish you could feel
 That my love is real
 But you're not a man

[como no começo]

I wish I could just Turn you on
 But a battery in And make you talk
 Even pull A string for you To say anything

But with you There is no guarantee
 Only expired warranty
 A bunch Of broken parts

But I can't seem To find your heart

Oh.. I'm such a fool
 I'm such a fool
 I'm such a fool
 Cause this one's Outta my hands
 I can't put you Back together again

Cause you're not a man
 You're just a Mannequin
 I wish you could feel
 that my love is real
 But you're not a man
 You're just a toy
 Could you ever be A real, real boy
 And understand
 But you're not a man

[Am Em Cm]
 If the cost is the problem
 My future could solve it baby
 I could bring it life
 If you let me inside baby
 It's so hard
 But in the end
 You'll be a man

You're not a man
 You're just a Mannequin
 I wish you could feel
 that my love is real
 You're a toy
 Could you ever be
 A real, real boy
 And understand
 But you're not a man
 You're not a man

You're just a Mannequin
 I wish you could feel
 that my love is real
 But you're not a man
