

Katy Perry - Never Really Over

tom:
 C
 I'm losing my self control
 Am Yeah, you're starting to trickle back in
 C But I don't wanna fall down the rabbit hole
 Am Cross my heart, I won't do it again
 C I tell myself, tell myself, tell myself, "Draw the line"
 G And I do, I do
 Am But once in a while, I trip up, and I cross the line
 F And I think of you
 C Two years, and just like that
 G My head still takes me back
 Am Thought it was done
 F But I guess it's never really over
 C Oh, we were such a mess
 G But wasn't it the best?
 Am Thought it was done
 F But I guess it's never really over
 C Just because it's over doesn't mean it's really over
 G And if I think it over, maybe you'll be comin' over again
 Am And I'll have to get over you all over again
 C Just because it's over doesn't mean it's really over
 G And if I think it over, maybe you'll be comin' over again
 Am And I'll have to get over you all over again
 C I guess I could try hypnotherapy
 G I gotta rewire this brain
 Am 'Cause I can't even go on the internet
 F Without even checking your name
 C I tell myself, tell myself, tell myself, "Draw the line"
 G And I do, I do
 Am But once in a while, I trip up, and I cross the line
 F I think of you
 C Two years, and just like that
 G My head still takes me back
 Am Thought it was done
 F But I guess it's never really over

 Am And I'll have to get over you all over again
 C Thought we kissed goodbye
 G Thought we meant this time was the last
 F But I guess it's never really over
 C Thought we drew the line
 G Right through you and I
 Am Can't keep going back
 F I guess it's never really over, hey
 C Two years, and just like that
