Gm

Throw on your fancy attire, fears in the fire

C

Don't lose hope

[Primeira Parte]

You can catch a star if the sky is falling down

There's a golden lining up in every single cloud

You can take a frown, turn it all the way around

All the way around, all the, all the way around

A fortune teller told me, "The power's in your mind"

You might see a cliff, but I see a way to fly

Flipping off the flop, now I just enjoy the ride

Just enjoy the ride, yeah, I just enjoy the ride

[Pré-Refrão]

(Na, na, na, na) What a time

(Na, na, na, na) To be alive

(Don't say goodbye)

[Refrão]

Bb

No, not the end of the world

Gm

Throw on your fancy attire, fears in the fire

C

Don't lose hope

Bb

Actually, just the beginning

Gm

Throw on your fancy attire, fears in the fire

C

Don't lose hope

[Segunda Parte]

You can make a wish even on a satellite

On a plastic lash or anything you like

You can tame a dragon if you're not afraid to fight

Not afraid to fight, no, I'm not afraid

[Pré-Refrão]

(Na, na, na, na) What a time

(Na, na, na, na) To be alive

Don't say goodbye (Don't say)

[Refrão]

No, not the end of the world

Throw on your fancy attire, fears in the fire

Don't lose hope

Actually, just the beginning

Throw on your fancy attire, fears in the fire

Don't lose hope

Na, na, na,

Na, na, na,

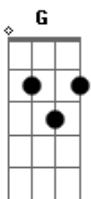

Don't say goodbye (Don't say goodbye)

Na, na, na,

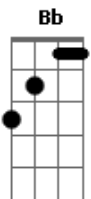

Na, na, na, na

Don't say goodbye
