

# Katy Perry - Part Of Me

Tom: F

Days like this I want to drive away  
 Pack my bags and watch your shadow fade  
 You chewed me up and spit me out  
 Like I Was poison in your mouth  
 You took my light, you drink me down  
 But that was then and this is now  
 Now look at me

Refrão:  
 This is the part of me  
 That you're never gonna ever take away from me (no)  
 This is the part of me  
 That you're never gonna ever take away from me (no)  
 Throw your sticks and stones throw your bombs and blows  
 But you're not gonna break my soul  
 This is the part of me  
 That you're never gonna ever take away from me (no)

I just wanna throw my phone away  
 Find out who is really there for me  
 You ripped me off, your love was cheap  
 It's always tearing at the seams  
 I fell deep and you let me drown  
 That was then and this is now  
 Now look at me  
 (Refrão)  
 Now look at me, I'm sparkling  
 A firework, a dancing flame  
 You won't ever put me out again  
 I'm glowing ohohoh  
 So you can keep the diamond ring  
 It don't mean nothing anyway  
 In fact you can keep everything (Yeah, yeah)  
 Except for me?  
 (Refrão) 2x

## Acordes
