

# Katy Perry - Resilient

tom:

I know there's gotta be rain if I want the rainbows  
 And I know the higher I climb, the harder the wind blows  
 Yeah, I've gone to sleep, night after night, punching a pillow  
 But do you know the darker the night, the brighter the stars glow  
 'Cause I am resilient, a full flower moment  
 Won't let the concrete hold me back, oh, no  
 I am resilient, born to be brilliant  
 You'll see me grow right through the cracks, yeah  
 'Cause you're gonna watch this flower grow right through the cracks  
 I've got to shed all this skin if I want the distance  
 Let the Sun in, pull out the weeds and focus my vision  
 'Cause there's no mistakes, just bends and breaks and friction  
 But do you know the hotter the fire, the purer the gold is?

'Cause I am resilient, a full flower moment  
 Won't let the concrete hold me back, oh, yeah  
 I am resilient, born to be brilliant  
 I'm gonna grow right through the cracks, oh  
 'Cause I died every winter  
 But survived all the weather  
 Look at me now, look at me now  
 I'm in full bloom, yeah  
 They tried to poison the water  
 But I was a little stronger  
 Look at me now, look at me now  
 Light up the room, oh, yeah  
 'Cause I am resilient, a full flower moment  
 Won't let the concrete hold me back, oh, yeah  
 I am resilient, born to be brilliant  
 I'm gonna grow right through the cracks, oh  
 You've gonna watch this flower grow right through the cracks
