

# Katy Perry - Rush

Tom: G

(intro 2x) Em C G D

Em C G D  
I kissed your sweet lips  
Em C G D  
I floated so high  
Em C G D  
Your eyes looked at mine  
Am Em C  
The world froze in time  
Em C G D  
What is this feeling?  
Em C G D  
I am on cloud nine  
Em C G D  
Guess I'm still reeling  
Am Em C  
From your body next to mine

G C D  
It's a rush I can't explain  
G C D Em  
Like you shot something crazy into my veins  
G C D  
And I'm ten feet off the ground  
Am Em C  
And I don't want to come down

Em C G D  
I know you're sleeping  
Em C G D  
I wish you were right here  
Em C G D  
'Cause my bed's so empty  
Am Em C  
I'd hold you so close dear  
Em C G D  
And I sang my song to you

Em C G D  
Your smile was priceless  
Em C G D  
What else can I do?  
Am Em C  
I'm a junkie over you

G C D  
It's a rush I can't explain  
G C D Em  
Like you shot something crazy into my veins  
G C D  
And I'm ten feet off the ground  
Am Em C  
And I don't want to come down

Em D  
Is it me or is everything spinning  
C D  
I'm wide awake but I must be dreaming  
C G D  
It's like you're some kind of drug  
Em  
Try to catch my breath

D  
And see if I'm still breathing  
C D  
Touch my heart and make sure it's beating  
C G D  
It's like I'm falling in love

G C D  
It's a rush I can't explain  
G C D Em  
Like you shot something crazy into my veins  
G C D  
And I'm ten feet off the ground  
Am Em C  
And I don't want to come down
