

# Katy Perry - Rush

Tom: G

(intro 2x) Em C G D

Em C G D  
I kissed your sweet lips

Em C G D  
I floated so high

Em C G D  
Your eyes looked at mine

Am Em C  
The world froze in time

Em C G D  
What is this feeling?

Em C G D  
I am on cloud nine

Em C G D  
Guess I'm still reeling

Am Em C  
From your body next to mine

G C D  
It's a rush I can't explain

G C D Em  
Like you shot something crazy into my veins

G C D  
And I'm ten feet off the ground

Am Em C  
And I don't want to come down

Em C G D  
I know you're sleeping

Em C G D  
I wish you were right here

Em C G D  
'Cause my bed's so empty

Am Em C  
I'd hold you so close dear

Em C G D  
And I sang my song to you

Em C G D  
Your smile was priceless

Em C G D  
What else can I do?

Am Em C  
I'm a junkie over you

G C D  
It's a rush I can't explain

G C D Em  
Like you shot something crazy into my veins

G C D  
And I'm ten feet off the ground

Am Em C  
And I don't want to come down

Em D  
Is it me or is everything spinning

C D  
I'm wide awake but I must be dreaming

C G D  
It's like you're some kind of drug

Em  
Try to catch my breath

D  
And see if I'm still breathing

C D  
Touch my heart and make sure it's beating

C G D  
It's like I'm falling in love

G C D  
It's a rush I can't explain

G C D Em  
Like you shot something crazy into my veins

G C D  
And I'm ten feet off the ground

Am Em C  
And I don't want to come down
