

Katy Perry - Rush

Tom: G

(intro 2x) Em C G D

Em C G D
I kissed your sweet lips

Em C G D
I floated so high

Em C G D
Your eyes looked at mine

Am Em C
The world froze in time

Em C G D
What is this feeling?

Em C G D
I am on cloud nine

Em C G D
Guess I'm still reeling

Am Em C
From your body next to mine

G C D
It's a rush I can't explain

G C D Em
Like you shot something crazy into my veins

G C D
And I'm ten feet off the ground

Am Em C
And I don't want to come down

Em C G D
I know you're sleeping

Em C G D
I wish you were right here

Em C G D
'Cause my bed's so empty

Am Em C
I'd hold you so close dear

Em C G D
And I sang my song to you

Em C G D
Your smile was priceless

Em C G D
What else can I do?

Am Em C
I'm a junkie over you

G C D
It's a rush I can't explain

G C D Em
Like you shot something crazy into my veins

G C D
And I'm ten feet off the ground

Am Em C
And I don't want to come down

Em D
Is it me or is everything spinning

C D
I'm wide awake but I must be dreaming

C G D
It's like you're some kind of drug

Em
Try to catch my breath

D
And see if I'm still breathing

C D
Touch my heart and make sure it's beating

C G D
It's like I'm falling in love

G C D
It's a rush I can't explain

G C D Em
Like you shot something crazy into my veins

G C D
And I'm ten feet off the ground

Am Em C
And I don't want to come down
