A scar from wiping out
C C
It brings back the memories

Every bone's been broken
D D
But my heart is still wide open

Chorus:

G D Em
I can't stop, don't care if I lose

G D Em
And I'm going down in flames for you
Bm C
Baby, you are the weapon I choose
D G
One more thing I'm addicted to

With each scar there's a map that tells a story
What a souvenir of young love's like
Jumpin out an airplane right in a tidal wave of

(play pre-chorus)

An ocean
Of emotion
My heart rips me wide open
