

Katy Perry - Self Inflicted

Tom: G

^G Remember when I dove into the ground ^{Em}
^C And I got a bloody knee under my skin ^G
^{Em} A scar from wiping out
^C It brings back the memories ^C

Pre-chorus:

^{Em7} Every bone's been broken ^C
^D But my heart is still wide open ^D

Chorus:

^G I can't stop, don't care if I lose ^D ^{Em}
^{Bm} Baby, you are the weapon I choose ^C
^G And I'm going down in flames for you ^D ^{Em}
^{Bm} Baby, you are the weapon I choose ^C
^D One more thing I'm addicted to ^G

(play verse)

With each scar there's a map that tells a story
 What a souvenir of young love's like
 Jumpin out an airplane right in a tidal wave of

(play pre-chorus)

An ocean
 Of emotion
 My heart rips me wide open

Chorus

Bridge:

^{Em} And I, cover up these scars ^G
 (we make up, then we break up)
^{Em} And I, can't stop seeing stars ^G
 (I'm so knocked out whenever you're around) ^D

Chorus (play two times)

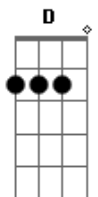

Outro:

Play the chorus over and over, and just go with the song like:

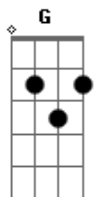

"Ooh i can't stop, no i can't stop?"

End on G and fade out if possible
