

Katy Perry - Tucked

tom:

Intro: Em Am D G

[Primeira Parte]

Em Am
No one knows, knows where my mind goes
D G
I keep you on the low, I must confess
Em Am
I've been painting us, the picture makes me blush
D G
My imagination at its best

[Pré-Refrão]

Em Am
I could put us on an island
D G
I could put us in a mansion
Em Am
I could put us in a back seat, yeah
D G
You're anywhere I want you to be

[Refrão]

Em Am
I keep you tucked away inside my head
D G
Where I can find you anytime I want to, baby
Em Am
I keep you tucked away inside my head
D G
Where I can find you anytime I want to, baby

Em
Na, na, na
Am
Na-na-na-na
D
Na-na-na-na
G Em
No, they'll never know about us

Na, na, na
Am
Na-na-na-na
D
Na-na-na-na
G
As long as I keep you

[Segunda Parte]

Em Am
Tucked deep, deep in my fantasy
D G
'Cause, in reality, we're a mistake
Em Am
Don't need permission to do what I do to you
D G
When all you are to me's a sweet escape

[Pré-Refrão]

Em Am
I could put us on an island
D G
I could put us in a mansion
Em Am
I could put us in a back seat, yeah
D G
You're anywhere I want you to be

[Refrão]

Em Am
I keep you tucked away inside my head
D G
Where I can find you anytime I want to, baby
Em Am
I keep you tucked away inside my head
D G
Where I can find you anytime I want to, baby

Em
Na, na, na
Am
Na-na-na-na
D
Na-na-na-na
G Em
No, they'll never know about us

Na, na, na
Am
Na-na-na-na
D
Na-na-na-na
G Em
As long as I keep you tucked

[Interlúdio]

Am D
I'll keep you
G
Yeah, I'll keep you, baby

[Ponte]

Em Am
No one knows, knows where my mind goes
D G
I keep you on the low, I must confess
You're someone that I should forget
Em
Oh, whoa, oh, yeah

[Refrão]

Em Am
I keep you tucked away inside my head
D G
Where I can find you anytime I want to, baby
(Anytime, anytime, anytime)
Em Am
I keep you tucked away inside my head
D G
Where I can find you anytime I want to, baby (Oh)

Em
Na, na, na
Am
Na-na-na-na
D
Na-na-na-na
G Em
No, they'll never know about us

Na, na, na
Am
Na-na-na-na
D
Na-na-na-na
G
As long as I keep you tucked
