

Katy Perry - Ur So Gay

Tom: G

I hope you hang yourself with your h&m scarf
 While jacking off listening to Mozart
 You bitch and moan about LA
 Wishing you were in the rain, reading Hemingway
 You don't eat meat
 And drive electrical cars
 You're so indie rock it's almost an art
 You need SPF 45 just to stay alive

You're so gay and you don't even like boys
 No, you don't even like
 No, you don't even like
 No, you don't even like boys
 You're so gay and you don't even like boys
 No, you don't even like
 No, you don't even like
 No, you don't even like?
 You're so sad maybe you should buy a happy meal
 You're so skinny you should really super size the deal
 Secretly, you're so amused
 That nobody understands you
 I'm so mean, cause I cannot get your outta your head

I'm so angry, cause you rather myspace instead
 I can't believe I fell in love
 With someone that wears more makeup than...

You're so gay and you don't even like boys
 No, you don't even like
 No, you don't even like
 No, you don't even like boys
 You're so gay and you don't even like boys
 No, you don't even like
 No, you don't even like
 No, you don't even like?
 You walk around like you're, oh, so debonair
 You pull em down and there's really nothing there

I wish you would just be real with me

You're so gay and you don't even like boys
 No, you don't even like
 No, you don't even like
 No, you don't even like boys
 You're so gay and you don't even like boys
 No, you don't even like
 No, you don't even like
 No, you don't even like?
