

# Katy Perry - Use Your Love

Tom: **F**

**F** **Dm** **C**  
 I know you know my boyfriend is out of town  
**F**  
 so have a drink, let's talk it over  
**F** **Dm** **C**  
 So many things I shouldn't be sayin now  
**Bb**  
 You know I like my boys a little bit older  
**Bb** **Dm** **C**  
 I just wanna use your love  
**C**  
 tonight, tonight, tonight. tonight, tonight  
**Bb** **Dm** **F**  
 I don't wanna lose your love tonight

Same as the first verse:

All my girls are no where to be found  
 they all split when I'm in trouble  
 but I'll tell you all my secrets if you stick around  
 the 'undercover-lovers' under the covers  
 I just wanna use your love  
 tonight, tonight, tonight. tonight, tonight  
 I don't wanna lose your love tonight

Chords Vary but mostly in-- **Dm**

I just wanna use your love l-o-v-e, l-o-v-e  
 I just wanna use your love l-o-v-e, l-o-v-e

**Bb**

I just wanna use your love l-o-v-e, l-o-v-e, l-o-v-e

try to keep my head from spinning  
 too much to drink - not making sense  
 been a while since I've been with someone new  
 but I can't stop the way I'm feeling

Same as the first again:

As you leave please would you just close the door  
 now that our love affair is over  
 you're exactly what I was looking for  
 well go find a shoulder to cry upon

I just wanna use your love  
 tonight, tonight, tonight, tonight - tonight!  
 I don't wanna lose your love tonight  
 I just wanna use your love  
 tonight, tonight, tonight, tonight - tonight!  
 I don't wanna lose your love tonight  
 I just wanna use your love  
 tonight, tonight, tonight, tonight - tonight!  
 I don't wanna lose your love tonight

Chorus!

**F**  
 I think I'm done fuck'n singing this song  
 I think I'm done fuck'n singing this song  
 I think I'm done fuck'n singing this song  
 I think I'm done fuck'n singing this song  
 Singing this song, song, song song
