

# Katy Perry - When I'm Gone

tom:

Intro: Am C F G

When I'm gone, I'm never really gone  
 You think you're moving on  
 But it won't be for long, you'll see  
 When I'm gone, I'm never really gone  
 You think you're moving on  
 But no one's gonna feel like, feel like

Thought it would be easy  
 Easy to forget me  
 Let go of the memories (ah-ah-ah-ah)  
 Now your bed is empty  
 And you're waking up sweating  
 I'm still in your wild dreams

Late nights, calling me, calling me  
 Do anything to keep me close  
 Well, you should know  
 It's gonna, gonna be  
 So hard for you to let me go

When I'm gone, I'm never really gone  
 You think you're moving on  
 But it won't be for long, you'll see  
 When I'm gone, I'm never really gone  
 You think you're moving on  
 But no one's gonna feel like, feel like

Me on top of you  
 Touch you like I do  
 No, you'll never forget  
 When I'm gone, I'm never really gone

You think you're moving on  
 But no one's gonna feel like, feel like  
 You're chasin' the danger  
 It's just in your nature  
 Look for me in strangers (ah-ah-ah-ah)  
 All these pretty fac?s  
 No one can replace it  
 I'm always your favorit?  
 Late nights, calling me, calling me  
 Do anything to keep me close  
 Well, you should know  
 It's gonna, gonna be  
 So hard for you to let me go  
 When I'm gone, I'm never really gone  
 You think you're moving on (you think you're movin' on)
