I'm wide awake
Em G D A
I'm wide awake
Em G
Yeah, I was in the dark
D
I was falling hard
A
With an open heart
Em
I'm wide awake
G D A
How did I read the stars so wrong
Em
I'm wide awake
G
And now it's clear to me
D
That everything you see

Ain't always what it seems
Em
I'm wide awake
G D A
Yeah, I was dreaming for so long

Pre-Refrão:

Em
I wish I knew then
G
What I know now
D
Wouldn't dive in
A
Wouldn't bow down
Em
Gravity hurts
G
You made it so sweet
D
Till I woke up on
A
On the concrete

Refrão:

Em G D A
Falling from cloud 9
Em G D A
Crashing from the high
Em G D A
I'm letting go tonight
Em G D A
Yeah I'm Falling from cloud 9
Em
I'm wide awake
G
Not losing any sleep
D
I picked up every piece
A
And landed on my feet
Em
I'm wide awake
G D A
Need nothing to complete myself - nooohooo
Em
I'm wide awake

G
Yeah, I am born again
D
Outta the lion's den
A
I don't have to pretend
Em
And it's too late
G D A
The story's over now, the end
