

Kau Batalha - Tributo a São Cristóvão

tom:

Intro: G Gbm Em A D D7
G Gbm Bm Em A D

São Cristóvão me ajude a cruzar as
Estradas da vida

Me ajude a curar todas essas feridas
Que trago na alma e no coração

Me ajude a acabar de vez com essa minha
Tristeza

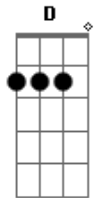

Me ajude a lutar contra a correnteza
E um rio de incertezas e de solidão

São Cristóvão, que carregou o menino Jesus
São Cristóvão, carrega comigo essa cruz

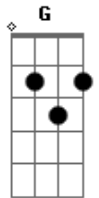

São Cristóvão, que carregou o menino Jesus
São Cristóvão, carrega comigo essa cruz
