

# Kawala - Ticket To Ride

tom:

A

[Primeira Parte]

**D7M** **A7M**  
 Dream makes the sounds that carry me so far away  
**D7M** **A7M**  
 The freedom now, forever, I'll be bound  
**D7M** **A7M**  
 Dream of the south or where the sun is so paramount  
**D7M** **A7M**  
 Took the seasons out, spend my time here now

[Pré-Refrão]

**D7M** **E**  
 They play like silent movies only you can see  
**A** **Gbm**  
 You shelter them and keep them  
 Rolling onwards roll  
**A** **E**  
 To ever let them go

[Refrão]

**D7M**  
 But tell me at what cost?  
 I'll find a ticket to ride  
**A**  
 I been waiting for the perfect time  
**D7M**  
 Sometimes with a look in my eyes  
**A**  
 I'll be gliding through these dreams of mine  
**D7M**  
 When's right, to step out of line?  
**Gbm** **A**  
 I've been waiting... Waiting to see what for  
**D7M** **Gbm** **B**  
 And I'll find a ticket to ride

[Segunda Parte]

**D7M** **A7M**  
 Leaving the ground to carry on this warm embrace  
**D7M** **A7M** **Bm**  
 I'm deep in now, sanctuary found  
**D7M**  
 Thoughts I left out, they're washing in  
**A7M**  
 Like ocean waves  
**D7M** **A7M**  
 So let me drown, no, never let me down

[Pré-Refrão]

**D7M** **E**  
 They play like silent movies only you can see  
**A** **Gbm**  
 You shelter them and keep them

 State of mind is mine and I'll  
**Gbm** **E**  
 Never let it go
