 On the side but I still have eyes on you

 So you'll drink till you're gone and

I'm left on my own
A
 You always find someone
A
 You don't like sleeping alone
Bm
 Do ya? Do ya?
Bm
 Now I'm drinkin' alone
G **Bm**
 Oh, yeah, oh, yeah

 You say I talk too much
Em
 I don't think that we talk enough
Bm
 You can be so twisted
Bm
 Lyin' but I'll listen

 Move on then you miss this, but you don't

 And maybe you're cold

 I used to be the one to take you home
