

Kaytranada - You're The One (feat. Syd)

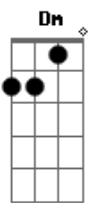

tom:
 Am
 I want you to want me
 But you just wanna love me for the day
 And I can't just walk away
 G Am
 Even though I know you're trouble, babe
 Am Dm
 So I'mma take my time
 G A
 Go with the flow, can't get too involved
 Am Dm
 You got a face that I
 G A
 Just can't say no to, just can't say no to you
 Am Dm
 You know I want you, baby, you know I do
 G A
 I'll give you my heart and the rest is up to you
 F Dm
 You ain't no good for me, I know it's true
 G A
 But you don't have to be
 Am Dm
 'Cause I do it for the thrill, for the rush
 G A
 I do it for the pain, for your touch
 F Dm
 Will I OD, when it's too much?
 G A Am
 If I survive, baby, you're the one, you're the one
 Am Dm
 I feel like I'm walking
 G A
 The tightrope of love in your circus, babe
 Am Dm
 If I were to fall, it'd be my last day

G A
 Even though you're right under me
 Am Dm
 So I'mma take my time
 G A
 Go with the flow, can't get too involved
 Am Dm
 You got a face that I
 G A
 Just can't say no to, just can't say no to you
 Am Dm
 You know I want you, baby, you know I do
