 Em D C B
 C Em C Em

C Em
 Breath and breathe again
 C Em
 Hiding yourself from thoughts you can not explain
 C Em
 You lost the air, the ground, just fed the pain
 C Em
 Why do you try to fight in vain?
 Em Gb
 Is this silent scream that rips your spine
 G
 A kind of dream or the end of line?
 B7
 Does it mean you wont be fine?
 C Em
 An empty darkness turns to tears
 C Em
 Drowning your mind in remote fears
 C Em
 Flirting death is not a science
 C
 The life teaches you to suffer in silence

Em
 When no one cares to give you ears
 C D Eb Em D
 When your world starts to fall
 C D Bm Em D
 And the hurt hides any hope
 C D Eb Em D
 Don't get lost behind your wall
 C D B
 Hanging in a rope or a dope
 Em Am
 All your pain and sadness silently escapes through your eyes
 Gb B7 Em
 Leaving traces along your face, traces of lies
 Am
 And the person you once dreamed of being, now she dies
 G B7
 Yes, she dies
 Em Gb
 Is this silent scream that rips your soul
 G
 A kind of sin you should not know?
 B7
 Does it mean you lost control?
