                                                                            But I just feel too tired
Capo on the first
Intro: Eb, Bbm, C#, Ab
                                                                            To be fighting
                                                                        Bbm
                                                                            Guess I'm not the fighting kind
Verse 1:
       Eb
                   Bbm
                                                                            Wouldn't mind it
            Why do I have to fly
                                                                            If you were by my side
            Over every town up and down the line?
                                                                            But you're long gone
                   Bbm
        Eb
                                                                                                                   Fm
            I'll die in the clouds above
                                                                            Yeah you're long gone now
            And you that I defend, I do not love
                                                                Gb
Bridge:
                                                                        Bbm
                                                                                        Ah
                                                                            Where do we go?
       Gb
                           Bbm
                                                                                    Gb
            I wake up, it's a bad dream
                                                                            I don't even know
                      Ab
                                                                        Eb
                                                                                         Ab
            No one on my side
                                                                            My strange old face
            I was fighting
                                                                        Gb
                                                                                                  Bbm Gb
                                                                            And I'm thinking about those days
            But I just feel too tired
            To be fighting
                                                                            And I'm thinking about those days
        Bbm
            Guess I'm not the fighting kind
                                                                Solo (Eb, Bbm, C#, Ab )
Verse 2:
                                                                Repeat solo
       Eb
                      Bbm
                                                                            I wake up, it's a bad dream
            Where will I meet my fate?
       Db
                             Ab
                                                                            No one on my side
            Baby I'm a man, I was born to hate
                                                                            I was fighting
                                                                            But I just feel too tired
        Eb
                          Bbm
                                                                            To be fighting
            And when will I meet my end?
       Db
                                                                            Guess I'm not the fighting kind
                                  Αh
            In a better time you could be my friend
                                                                            Wouldn't mind it
                                                                            If you were by my side
                          Bbm
                                                                            But you're long gone
            I wake up, it's a bad dream
                                                                            Yeah you're long gone now
